

## Diver Dan's Scuba Center is Kenosha and Racine's Oldest PADI/SDI Facility.

We are a full service diving facility specializing in quality, safe and exciting scuba instruction.

The basic philosophy behind our instruction can be summed up in a few words, **"DIVING SHOULD BE SAFE AND FUN."** All of our methods and techniques we teach are designed to make diving safer, easier, and more enjoyable for more people.

With a little practice and effort you to can experience the fascinating underwater world. Each and every training exercise is directly related to actual diving safety and experience.

**Our Weekend Open Water Diver Course** offers approximately 31 hours of instruction under the watchful eye of a professional PADI/SDI Instructor. The course starts with academics on Saturday, where we learn about the underwater environment and its effects on our bodies.

## THE ADVENTURE BEGINS NOW !!!

After you become a certified diver, you are welcome to join us in our constant program of diving activities. You will have the opportunity to explore shipwrecks in the Great Lakes, deep dive in local quarries, or travel with us around the world. All this time you will be in the company of our professional staff, your classmates, and divers just like yourself from all over. You can be sure you will be experiencing some of the most exciting times of your life!

Pool sessions are held on Sunday where you learn the skills needed to be a safe and good diver. Then we finish up our academics and discuss our open water certification dives on Sunday afternoon.

After the weekend we are ready to experience the open water environment with 4 required open water certification dives. These dives are where the skills you learned in the pool are demonstrated. We also learn about compass navigation during your open water certification dives.

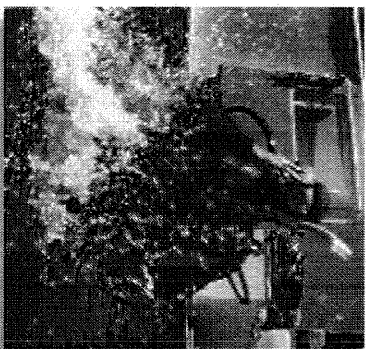

### Non - Weekend Course Schedule

If your schedule is difficult to get weekends off please call our helpful staff, as many times we can arrange weekday classes, self-study, or private classes to meet your schedule.

Classes held monthly and by special appointment when needed.
